Subject: Cara [REDACTED] Wedding

Hey Kevin, Kathy [REDACTED] here, Cara [REDACTED] mom. Just wanted to touch base with you to thank you for your patience as we researched different options for Cara's wedding. She is my first born and our first wedding. My first criteria was that it be a place that would make her feel like this was the most beautiful day of her life. As a little girl, she always spoke of wanting to be married at St. Louis Cathedral in NO. That dream always remained but we moved to BR and life happened. Nathan proposed to her on the steps of the Cathedral but her fairy tale wedding will take place on your property. She loved the vision you created in her mind the day we came for a tour. It was January 6. I am so happy with Cara's decision to be married at Houmas House. You can't control the weather Kevin but what you could control you've done an excellent job with. I believe Houmas House will be perfect for Cara's wedding. Thanks for what you've done to the place and for knowing how to orchestrate a beautiful wedding. Sincerely, Kathy
