

Houmas House Awarded Top Attraction in Louisiana

Houmas House Plantation and Gardens was awarded the State's top award of Attraction of the Year for 2009. Out of state judges reviewed nominees from across the state competing for the title. Houmas House, with it's award winning restaurants, globally recognized gardens, and experiential tour has captured the attention of visitors from all over the world.

"Houmas House is honored to accept this award, especially since it's coming from our own industry where there are so many amazing attractions" says Kevin Kelly, owner of Houmas House since 2003.

The award was presented at the Annual Louisiana Tourism Summit held in Monroe, Louisiana in January 2010.
